

User Stories

1. As a user, I have a fast and easy access to adding new entries.
2. As a user, I can select from multiple currencies and conversion ratios when adding a new entry or a budget. There are up-to-date conversion-ratios between mentioned currencies.
3. As a user, I can specify a custom time range to list my entries.
4. As a user, I can browse statistics and graphs about my entries and budgets.
5. As a user, I can create group that spans over multiple users and I can share entries in a budget amongst these users.
